The cost is \$25 for flu shot.

The cost for MSU employees is \$10 for the pilot program\*.

\*Human Resources will be contributing \$15 towards shots given at these clinics for MSU participants.  
MSU employees, please bring your MSU ID.

Cash or checks made out to MSU, if possible, please.

Wear clothing suitable for receiving an upper arm injection.

FluMist (nasal flu vaccine) will be available at same cost-  
limited to healthy people between ages 2 and 49.

For more information, please visit the University Physician website at [www.uphys.msu.edu](http://www.uphys.msu.edu) or call our office at 353-9137.

Unfortunately, flu vaccine given at group clinics is not a covered benefit of our MSU insurance. However, you can submit your receipt to your flexible spending account. If you have questions or concerns about this, please contact Human Resources- Benefits.
